Dearest Loved one

In answer

to your very highly appreciated letter  
which affords me more pleasure to  
have a letter from you than anyone on  
this globe, for one I love I always  
am glad to hear from them and  
know they are having a good time  
I don't suppose you call dropping corn  
a good time do you, Sweet heart, If so  
I will buy me a farm and go to  
farming myself in Arkansas by my  
love self as no one will go with me  
and help me to farm, I always  
like to have a partner so an  
excuse to go with me to any place,
